WE PAY POSTAGE

PRICES QUOTED ARE TOTAL COST — DELIVERED TO YOU.

SAVE BY BUYING DIRECT FROM GROWER:

When you buy flower plants, you're not interested in just "how many" you get for your money, but also "how many will grow and be beautiful!" You may find cheaper prices — but we don't believe you can find better plants for the money than those we sell. We're not just "dealers" but GROWERS — we know our stock because we live with it from the time cuttings are set out until we ship to you. That's why it means something to you when we say —

WE GUARANTEE satisfaction with every shipment. You are the only judge — and if you find any merchandise not entirely satisfactory, return within 10 days for full refund. (References: Any bank or Mobile Chamber of Commerce.)

We are building our business on the firm foundation of satisfied customers. We have shipped to practically every community of the South, so if you have not bought from us before, ASK YOUR NEIGHBOR ABOUT PEARSON PLANTS. And if you are an old customer, please tell your neighbors about us!

WE PAY POSTAGE and save money for you. Plants shipped collect may cost a dollar or two more than the advertised price. That's why we prefer to include lower pre-paid postage in the prices we quote. Our price is the **TOTAL COST**.

**SPECIAL!
10% EXTRA
